

DIGITALLY PRINTED CENTRES

We can digitally print centres directly from a computer program without the need to get printing plates made. This is ideal for customers who require the text in upper & lower case & you can use any font we have on file.

We can also use different border designs as the examples below or you can design your own. These are available in 50mm, 58mm, 68mm, Oval & shield shape.

CENTRE BOARDS DIGITALLY PRINTED TO YOUR REQUIREMENTS

50mm round each	15p
58mm/68mm round each	17p
Oval round each	19p

(MINIMUM ORDER 20 CENTRES PER DESIGN)

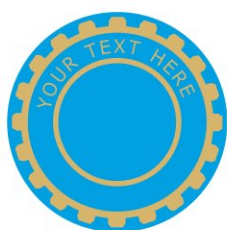

Artwork charge £5.85 per design

Any change of text £1.15 per change

These charges only apply once, for a re-order without any additional changes the price will only be per centre.
